Opened and closed the book, 'Recording the outcome' in Internet Archive and in The Allurement of Reality in Review Shop to the introduction of: 'It is never over while one side still probes, for it is looking for something'; and this Daily Bulletin post was it. I have responded by publishing the book. It keeps my options open.

1. The project proposal is now ready to be shared as agreed in the preliminary discussions with you being an unofficial member of TCLP-UK (<https://app.joinit.com/memberships-id/iMStouNgRiEdtqWJs>) that I formed to develop moral politics in the United Kingdom.

2. To make this more than a dream, two things are needed. The first is that we must get TCLP-UK registered as an establishment political party in the United Kingdom.

3. The Electoral Commission has just written to me that much of the work such as developing the Constitution of the Party has been completed. All that remains is for us to have an Official that I can rely on to act as the Campaigns Officer for the Party as you will read here:

'Josh Dunne (he/him)  
Senior Adviser, Registration  
writes:

'Your application in our system remains incomplete and has not been submitted to us. You must finalise your details, have both officers authorise the application, and make the £150 payment.

Kind regards,  
Josh Dunne (he/him)  
Senior Adviser, Registration  
The Electoral Commission  
electoralcommission.org.uk'

4. The second thing that we would need is finances so that the salaries of Officials like yourself can be met. You would not be expected to do any physical work until we acquire a target membership of 10,000 Members for Conservative Libertarians (UK)

5. I am expecting that I would be able to go 'Go Fund Me' if you let me know that initially what would be your expectant salary to get us through the preliminary hurdle of registering the Party with the Electoral Commission.

6. I have been in talks with the Supreme Court of the United Kingdom as attached ToPaulTiwana (AutomaticReply)Proceedings at the Supreme Court)16Jun2025.docx

6. I can pay you for your expenses in the meantime.

7. If you let me know your views urgently, we can take the matter forwards.

Players can pick one of BnS NEO Divine Gems playable races based on animal lore, including the Dragon, Qilin, Phoenix and Turtle, and amongst seven classes, including Assassin, Blade Dancer, Blade Master, Destroyer, Force Master, Kung Fu Master, and Summoner.

The features remastered graphics and animations: NCSoft's graphic overhaul of the original MMORPG highlights enhanced textures and lighting, improved animations, and more environmental details and atmosphere, taking full advantage of the Unreal Engine 4 toolkit. Blade and Soul Neo's action-based combat enables players to truly feel like a martial artist, with ability combos, counters, and flexible party roles. Likened to some of the combat systems

traditionally found in fighting games, Blade and Soul Neo offers a real skill-based combat system.

You can experience enhanced combat customization with more ways to expand one's own distinct fighting style. ### **Transcript of a Video Update**

In General Discussion

<https://www.theconservativelibertariansociety.com/forum/general-discussion/transcript-of-a-video-update>

Hello there everyone. This is Shantanu Panigrahi here. Today is the 11th of November 2021. The time is 13.37 pm here in the United Kingdom.

I am having a bit of a review because all my tasks are over. I have completed my studies and researches into the nature of Reality and have managed to navigate myself through that reality which I describe as being Brahma-Nature composed of sattvic, rajasic and tamasic guna interactions. It has taken me 24 years to fathom it all out and there has been terrible tussles with the State of the United Kingdom to let me pass my way through that so that I could study humanity and I could study Humanology and derive my own conclusions on what is existence for mankind. I have written 20 books of which some are just booklets or pamphlets whereas others are quite detailed accounts of all my studies and communications with various people over these 20 odd years, and these are all available if anybody would like to visit my website at the [allurementofrealityinreview.com/shop](http://allurementofrealityinreview.com/shop), they are free to do so and purchase a copy of any of these materials that they would like. If you are a Member you can make a small donation and that would let me send you a copy of the particular material directly to you by email.

So I have survived great odds over the past 24 years. I was not mentally ill but I had a deep compulsion to seek the truth and the truth was something that was sparked by awakenings in me through utterances and writings that I was doing while I was in the University of Greenwich which got me to a state that I virtually abandoned my scientific career and move on to find out whether there is a God or not who was the Higher Entity within my mind and body that was getting me to doing certain things. And the certain things were quite specific, and they were on reflection the Sudharshan Chakra of Sri Krishna because today I am at a point of total liberty, discharged by the mental health authorities after numerous years of having been kept in mental hospital on two occasions and kept in the Care in the Community provisions since 2008. I was discharged from all mental health monitoring and surveillance back to the GP Service although I am still taking my medications of risperidone, sertraline and depakote antipsychotic, antidepressant and mood stabilizing agents as a precautionary measure from the point of view of the GP Surgery and my wife so that from what they consider to be the reality they do not want me to slide into paranoid schizophrenia and persistent delusional order or autism no matter how much I try to convince them that this is not going to happen because I am totally normal in total peace of mind and am looking forward to the rest of my life.

So in that way I believe in the review of what is sanatana dharma, that sanatana dharma is a real dharma and it is the eternal law of the universe. I worshipped Sri Krishna as God and with various techniques that I used that I described as being satya-advaita yoga to determine exactly what God has in store for me. And that led me to using a clock-checking mechanism because I wanted direct question and answer sessions with God. And they were productive in the early days, but they became haphazard later on and finally I took leave of God to find out my own path into my research. And this led to various techniques that I used to home in at Brahmo-advaita

Vedanta, but that did not satisfy me because I was just reaching Brahman as Self or Consciousness. Brahman-Self was not realised by me as a real state of mind, and I then had to live my life in karma in Sanatan dharma yet again to discover what is the right duties and responsibilities of a citizen as a family member and as a person in global humanity in what he should spend his time on. I constructed the Conservative Libertarian Society as a global movement to set out the views of what Climate Change means to me in that it needs to incorporate the human dimension with the environmental and natural environment, all to be preserved as one in a holistic manner so that one part of it affects another part of it in deriving policies in politics that lead to a better world and lead in a comprehensive manner that will preserve the Environment and nurture the environment for it to be able to generate foods and services for us to live in.

Of course, that means that I am totally peaceful person, I would not harm even a tiny insect, I do not harm a bacteria or virus. I am not going to take the booster jab for coronavirus unless it becomes mandatory. I took two shots of the AstroZeneca virus jab, and I got pain in my arm from that from what I could make out. So, I do not destroy even a bacteria or a virus. It is really against my innate nature to do so. They are all part of the environment. The Gaia hypothesis says that we are in a wholesome Nature where each part of it is inter-related to another part in the ecology of the Earth-Atmosphere system and that includes all the gases that ever erupted out of the volcanoes to create the environment, and all the carbon dioxide, oxygen and nitrogen, the way they came about and what happened since in the creation of fossil fuels and such things that we are trying to reverse now in a very speedy manner that the Climate is not able to sustain without severe repercussions. My firm belief is that the Earth-Atmosphere system is a Gaia mechanism, and it will take its course if we humans do not do something to moderate our demands on Nature. So, I have said to the powers that be that we should curtail our demands and bring economic activity down to a lower level of expenditure for expenditures whether it is on coal or oil or uranium or solar power, or wind turbines, they are all expenditures in that they demand from Nature. They demand natural resources. And natural resources come from energy, energy comes from the environment. And it all gets used one way or the other. The only way forward is to reduce our demand so that we can find a sustainable manner of living as a global community where everything is in balance in Nature. Balance means total equilibrium. Economics is the key to it.

From globalisation of capital there is 400 trillion pounds in circulation in the world economy all available from past investments and past human activities that is always available for investment in the future. Some years ago, I had said to the authorities that all the extra money should be converted into gold and buried deep in the underground for future generations or for never to be used again. And that was the only way we could bring a halt to the rampant usage of natural resources to protect the environment that causes Climate Change and global warming. And this remains my philosophy right now in the Conservative Libertarian Society that I am the only member of right now; and actually, I do not mind that because my job is to raise the issues and create the environment; create the education that is needed for people to take account of in the future.

I am 65 years of age now and so I do not have much longer to live. So I do not wish to become active in any activism sense other than just pour out my thoughts born of deep knowledge, the knowledge that I have accumulated by the fact that the United Kingdom has been a heaven-sent opportunity for me in having educated me from the age of 15 to 40 and since then using the facilities that I have had (computer) at home to investigate all aspects of life by quizzing, probing and exposing the truth of how we humans live. So, I am grateful to the United Kingdom as I have said in the past, and notwithstanding that I have said bad things to criminals for terrorising me

incessantly to try and put a stop to my activities, when I used all kinds of bad names like *madarchod*, criminals, bastards, and other horrible names; they were instigating them to get me under attacks even more. But casting that aside I have said that I would never do anything to bite the hand that has fed me and my family for 48 years (my family for 35 years); and in that sense I am keeping quiet and waiting for my destiny.

This video is made on a day that I find myself in total liberty to generate food for thought to anyone who might be interested in my views and experiences.

Thank you

The Land Cruiser mod for Bus Simulator Indonesia is such a cool addition! It's fun driving a powerful SUV instead of a bus for a change. The handling feels smooth, and the design is super realistic. It really brings a fresh and exciting twist to the regular BUSSID gameplay.

Dear Stripe

Yes, it is. You will recall all the issues that kept cropping up when the first of the Membership Accounts at JOIN IT in order to ascertain if there was a systematic State Sabotage of this and later the BRILLIANT DIRECTORIES Accounts such that with the reluctance of the Court at the Supreme Court level to intervene PROGRESS IN THE ESTABLISHMENT OF A CONSTITUTIONAL CULTURAL REPUBLICAN PARTY IN THE UNITED KINGDOM came to an end. Dear Stripe,

1. From an overnight review I am interested in progressing forwards In the diverse interests contained within the portfolio of The Conservative Libertarian Publications Limited especially through the two Membership Accounts at JOIN IT and BRILLIANT DIRECTORIES, as follows, but do accept that this has had to progress through a slow and steady approach by the understanding of the unwritten Constitution of the United Kingdom and continued in an evolutionary manner to assuage the feelings of all the parties involved.

2. The four areas where progress should acquire prominence are:

(a) registering the TCLP-UK political Party with the Electoral Commission as soon as Mr Ayman Faizer (faizerr41@gmail.com) can reply to me on my communication of 16 June 2025 to confirm that he is willing to act as the Campaigns Official for the Party on the arrangements that I have specified to him (if you need to see the correspondence I am able to dig it out for you).

(b) The Conservative Libertarian Publications Limited is proceeding with an arrangement with Tik-Tok that invited the Company to link up our Book shop at <https://theallurementofrealityinreview.com/shop> to its Tik-Tok Shop: I have agreed to this scheme for it will get my books through to world-wide circulation. Having said that there would appear to be some teething problems this morning with this arrangement:

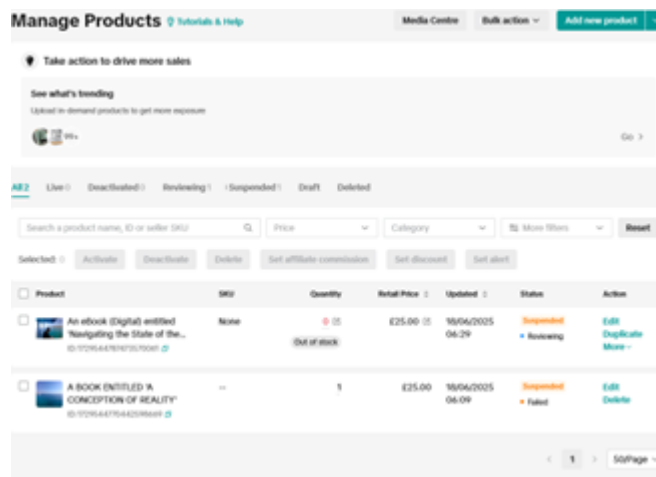

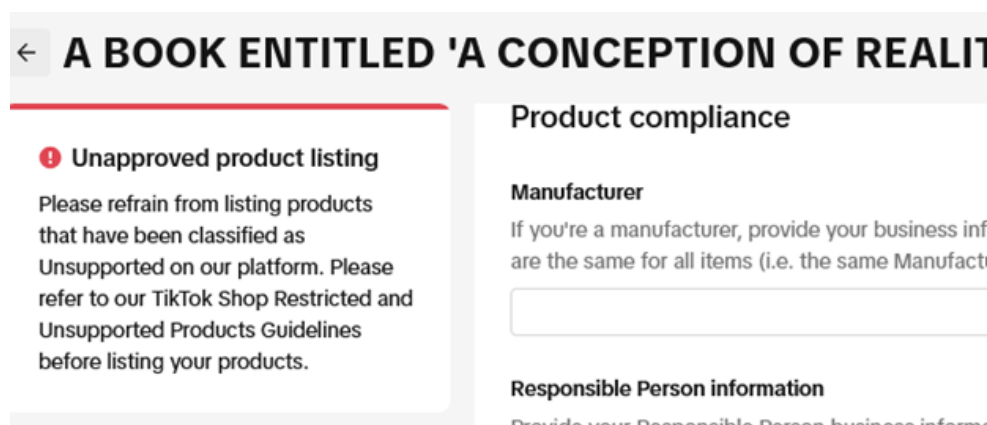

image.png

As you are aware from my previous publications, there is no money in truth, but an army marches on its stomach so I must try and make the most of publications from being able to sell my 423 eBooks worldwide from the Tik-Tok platform. The preliminary signs are not encouraging: see this notification

All the materials have been in the public domain for some considerable time ( <https://archive.org/details/@panigrahi491> ) so Tik-Tok should make the Shop functional immediately.

(c) At a philanthropic level, I wish to develop the concept of 'The Conservative Libertarian Society as a spiritual undertaking with uncompromising reverence to God through karma in sanatan dharma to unite all of humanity under a single umbrella: you will recall that I wrote that we need to break down existing barriers in different sectors of humanity not create new ones.

(d) I have always stated that humanity should evolve, and God willing, I wish to accede to the invitation from 'Incorporate Your Dubai Business with a Visa Free for Life Inbox Amit Dhrona <amit@rfz.ae> Tue 17 Jun, 22:05 (9 hours ago), to open an office in Dubai to implement <https://www.theconservativelibertariansociety.com/post/movement-of-conservative-libertarians-mission-statement> ; for which I would require a loan from Stripe Bank of £250,000 initially.

3. These are the considerations of the Company this morning, and I look forward to your assessment as to its viability in total or in part, and if so which part.

Yours sincerely

Dear Stripe

Yes, it is. You will recall all the issues that kept cropping up when the first of the Membership Accounts at JOIN IT in order to ascertain if there was a systematic State Sabotage of this and later the BRILLIANT DIRECTORIES Accounts such that with the reluctance of the Court at the Supreme Court level to intervene PROGRESS IN THE ESTABLISHMENT OF A CONSTITUTIONAL CULTURAL REPUBLICAN PARTY IN THE UNITED KINGDOM came to an end. All I do now is to use my two Membership Accounts socially for religious works that Stripe agreed to as a Freelance Consultant developing contacts globally through the publicity of:

**Establishing one's Rights**

in General Discussion

<https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/establishing-one-s-rights>

What are rights?- Freedom is a right: any form of regulation is an infringement on that right. The freedom to be who we are naturally endowed to be, genetically. A libertarian. A Conservative Libertarian ensures that everyone's freedoms are assured, including that of birds, bees, flowers, trees, seas, oceans and soils. We touch nothing unnecessarily.

Rights have to be ascertained within the Constitution of the State that one lives in through proactive determination of what the provisions are. No consultation with a lawyer will be fruitful in this regard. With the truth-path as one's guide, one needs to explore what one can get away with as possession is nine-tenths of the law.

Hello Dishant, I received notification earlier this morning from LinkedIn that you had accepted my invitation to connect with you. I got busy with some legal issues that preoccupied me and this is the reason that I did not wish you well to thank you for your interest in me.

Hope all is well for you.

The Justices of the Supreme Court

Dear Honourable Justices:

I was required in the past hour to complete a Feedback Survey of my two recent consultations that I had with my GP Surgery (LongCatlisRoad(General advice consultation answers).pdf; and 5 Nov 2021 LongCatlis(eConsult)Generaladviceconsultationanswers5Nov2021.pdf: In addition to the standard questions and box ticking answers that I provided, I submitted the following:

Long Catlis Road needs your feedback

Yahoo/Inbox

eConsult Service <econsult@webgp.com>

To:shantanupanigrahi@yahoo.com

Mon, 8 Nov at 19:02

DO NOT REPLY TO THIS AUTOMATED EMAIL, especially with your personal or medical details.

Dear Shantanu,

You recently used the eConsult service at Long Catlis Road to submit an online consultation.

We'd love to know what you think about it.

Click here to take a short survey about consulting online at Long Catlis Road. It should only take about 5 minutes.

Your feedback will be shared with Long Catlis Road to help them improve how you access your GP's services. And the survey is completely anonymous.

Kind regards,

eConsult

You are receiving this email because you agreed to participate in a survey about the eConsult service when you completed an online consultation

Completed the Feedback with the following additional comments inserted:

The receptionist told me today that the GP had tried to telephone me yesterday, but I was not available to take the call. I explained to the receptionist that Prostate MRI scan referral was recommended for my Urology referral by Medway Maritime Hospital. She took down the notes on the computer and said the Doctor would look at it and if he/she needs to speak to me again they would contact me. No telephone calls came, so I am disappointed with the system.

The first of the two recent E-Consult representations I made was on 1 November 2021 when I requested the Surgery to stop prescribing any more medications to me for, they were not solving anything for me. I was defaecating and urinating badly with my prostate problem. I was also discharged twice by the Britton House Community Health Team in the past few months but do not understand why I have still got to take risperidone, sertraline and depakote medications as these are now totally unnecessary. Dr Ivamo's contention that the Urologist in Medway Maritime Hospital would decide on these and other medications like Tamsulosin and Finasteride as well as Atrovastatin that I currently also take daily is disheartening for I do not believe that medications should be taken unless one is severely in pain as the only circumstance that I would take them. So only pain killers for me are what I have said in the past. Twenty years of mental health medications have not stopped me from carrying on living peacefully and positively to contribute to my mission of generating Knowledge for World Conservation and I have successfully written 20 books in the past 6 months alone through my company The Conservative Libertarian Publications Limited of which I am the Managing Director. I have also a dozen or so websites in which I disseminate all my research findings as a philanthropic mission for the benefit of mankind. So, the Surgery should think again and give me a face-to-face appointment to explain what I have done wrong over the years to deserve to be labelled a

mentally deranged person whose liberty should be restricted by semi-detention at home under enforced mental health medications.

I am satisfied that the E-Consult process enables me to clearly state what my problems and issues are in writing to the GP Surgery for it is better to have these issues explicitly stated for the relevant authorities to take account of and then take the necessary actions. It cannot be helped that the MRI scan authorities of Medway Maritime Hospital have delayed my MRI scan for Prostate for over two years because they simply forgot about me since the last contact I had with Dr Bhatt who prescribed Tamsulosin and Finasteride but these have not worked, and so it is definitely a Urological-Defaecation issue relating to the medications that I have been taking for mental health as seemingly a precautionary measure rather than for there being any need of the medication to have anti-psychotic, anti-depression and mood-stabilising effects on me. I am not depressed, and my mood is very calm. I write profusely that is the way I control my mental peace of mind. I hope you will take this into account and get me an appointment as soon as possible and not wait for the Urology Department to contact me after 19 November 2021.

I would like to state that telephone responses are not going to solve any patient's problem: the responses of the GP Surgery must be accompanied by an email to state categorically what the next step is. If another consultation is necessary as in Dr Ivamo's estimation, an appointment should have been offered to me for a face-to-face Meeting, not a telephone Hearing made all of a sudden, and which I was unavailable for so could not answer. Dr Ivamo should at that point have sent me an email or a text with what he had decided following examination of the details of the two E-Consult requests that I made, the second one being on 5 November 2021. So while the facility of E-Consult provision is highly desirable for the patient, since these are legal records for the Supreme Court of the United Kingdom to consider with reference to my Claim against the Prime Minister of the United Kingdom, Mr Boris Johnson for overseeing 20 years of negligence from the Health Secretary past and present, the Surgery needs to now examine everything of my diagnosis and treatment for mental health including the two periods of sectioning in mental hospitals (2004 and 2009) to justify the actions of the National Health Service. The sooner you do that the sooner this matter can be put to rest.

Your experience with using the eConsult service

Dear Mr Khan

This is true is it not? Further, were you put under some pressure from other sources not to undertake the private prosecution of the Chief Constable of Kent Police at Maidstone Crown Court on Appeal from the decision of the East Kent Magistrate's Court?

I should remind you that you had sent me contractual-documents that were signed by me and returned to you so it was a binding contract with yourself that has to be fulfilled now belatedly, as set out by ~~~Cherie below.

I am sorry if I gave the impression that Muslims were dim-witted enough to read the Quran and abide with all its formal instructions here in the United Kingdom, but did religion in me not being a Muslim form a part of your considerations that you did not act for me previously?

Kindly confirm if I have legal grounds to submit the N244 Form relating to HHJ Parfitt's failure to recuse, for that is the Order that needs to be appealed not the Order of District Judge Lightman the latter being a costs order as a consequence of HHJ Parfitt's earlier Order attached: CentralLondonCountyCourtJudgementorOrder19January 2021\_22March2021.

Dear Shan,

Re: E35YM660

Why have you not acted on this-

<https://www.judiciary.uk/wp-content/uploads/2018/08/khan-v-bsb-2018-ewhc-2184-admin.pdf>?

HHJ Parfitt's prior involvement, however limited or tenuous, with Forz Khan in his capacity of litigant (not counsel), your lawyer at the time Nick heard E35YM660, as documented in is adequate to require him, in accordance with the

Civils Procedure Rules (CPR) to recuse himself from your case. If in error or ignorance of the facts he did not do so, his ruling itself is voidable upon application.

Parfitt seems to like giving unentitled women 30 grand diamonds. An astoundingly unjust judgment from 2018. He isn't very bright, as dim as Lightman, and will reverse his decision on suitable application of judicial conduct pressure. I eat judges like him alive every other week.

Keep the N244 succinct. Do not bring in vishishta advaita or other irrelevant nonsense. For once, win. Be fast. You'll be out of time in about six weeks.

Further -- stop threatening to behead HMQ and wasting police time and insulting Muslims and harassing women. It isn't funny.

Who is the person answering 07825521586?

My emails are accepted by vopa@gmail.com, so they must be blocking all your email addresses. I wonder why they are doing this?

You should not challenge the police in the way you are doing. And re-sending a link to a terror-training manual too??

Who is this "barrister of many years experience"? Have you antagonised Mr Kahn with your comments about his apparent faith? Or is it you again pretending to be someone else, your nocturnal alter-ego?

In the same email forwarded to me you wrote "I should also reiterate my allegations that the Legal and Medical Institutions (including the Police Forces) of the United Kingdom are individually and collectively institutionally racist and institutionally corrupt from top to bottom"

But only one day earlier in <https://www.theconservativelibertariansociety.com/post/re-re-filtered-re-home-visits-to-senior-officer-criminals2>

you or someone impersonating you wrote "I am grateful to the United Kingdom authorities to have let me keep that despite all the delusional utterances in writing that I have done over the past 24 years. There was no racism in the University of Greenwich, I got what I deserved for I had other internal convictions to seek the truth of our existence on this planet. I was seeking to find if there was a God and if so what kind of conduct He/she would expect from one who surrenders to him in devotion. That is why I have repeatedly stated that I would rather go to a mental hospital than leave this country or go to the Press media to complain about institutional racism or institutional corruption. Life is very pleasant here in the United Kingdom for us. All my actions including calling for Her Majesty the Queen to be dethroned or summoned by the International Criminal Court were naive speculations in my search for the truth. I have already

apologised for my swearing on trollers or criminals for trying to have me booted out of the United Kingdom by making me stateless. They were all part of my yoga. I am sad that it has not been seen that way and I am still having to go to court to clear my name. But clear I must, coming to your original point of what i hope to do with my life. I will look after my family (God willing) and abide by the decision of the Courts. But I will never ever do anything to damage the reputation of the United Kingdom. I will take all the blame upon myself for the past 24 years of what I had earlier described as civil victimisation and state-organised persecution"

The two are contradictory.

Are you trying to make it easy for them to section you under the MHA?

Why are you behaving like an idiot? They will say this is not trolling, this is paranoid schizophrenia which justifies indefinite incarceration under section 3.

~~Cherie

This visa must not be issued without prior reference to and response from 1/ Shri B.K. Mishra, Counter-terrorism section, Ministry of Home Affairs, New Delhi  
2/ Commissioner of Police, Bhubaneshwar and Cuttack because there are security concerns re this individual.

He was involved in a plot to kidnap a former High Commissioner for India at London, England. He has connections with ISI (Pakistan). RAW are aware. He was denied PIO status. He has renounced his UK Citizenship and applied to Pakistan for asylum (denied). So repatriation rights are uncertain. All this is in the files to which Shri Mishra has ready access. He has been sectioned (detained by force and placed in a lunatic asylum) multiple times under the British Mental Health legislation. He has been removed from all jobs because of unacceptable conduct. From a University in Greenwich, England, because of sexually inappropriate conduct and harassment of a lady professor. From a supermarket in South England, for biting a co-employee requiring injection for hydrophobia. He is under Britisher's MI5 observation in England due to bomb threats. Etcetera.

Dear Person Receiving Email at narendramodiji1234@gmail.com, obviously not PM Modiji, and others including Ms Nicola Legge, who the lunatic named Shantanu Panigrahi is stalking. Re VISA APPLICATION GBRLV28C421 received in November 2021 by the High Commission for India, London.

Note the following about the applicant -

Dr Panigrahi is a dangerous lunatic with ties to Pakistani I.S.I. and its agent known to RAW, Mohammed Khan Bakhri.

He has attempted to get various Indian diplomats expelled from UK. His local health service had so much trouble with his harassment and threats they had to publish the following policy -

<https://www.kmptformulary.nhs.uk/media/1067/managementofviolenceandaggressionrtpolicykmptcorg01311.pdf>

He is on the M.I.5 list of people to be taken immediately into custody should a band 2 or 1 event occur in the UK.

Google for his name SHANTANU PANIGRAHI

You can see he is to be classified as a vexatious litigant to prevent his further abuse of the legal system.

Here is the schedule of approx. 1,750 of his victims at June 15, 2021 (now about 120 more)-

[https://groups.google.com/g/uk.rec.motorcycles/c/1aLUIPa4J\\_4](https://groups.google.com/g/uk.rec.motorcycles/c/1aLUIPa4J_4)

Here are some more items of evidence showing he is extremely disordered -

<https://archive.org/details/@panigrahi491>

Please take him back into India, after which we will ensure he never obtains re-entry into the UK.

We will take steps to revoke his UK travel document while he is abroad.

Note - MEA, MHA, RAW and BhuhCutt-Police are aware of his criminal activities.

Thank you for dealing with this gaandchodh,

Nitin Bhardwaj

Subject: Return to India

To

Honourable Prime Minister of the Republic of India

Please accept my deepest respects as Pranams

I am a family man who came to the United Kingdom with my parents, with my father being on deputation for the Government of India seemingly on diplomatic status as Indian Liaison Officer.

I stayed behind in the United Kingdom but went to marry a girl in Odisha State and we have a daughter born in the United Kingdom so having a British passport. My wife works for the Civil Service in the Government of the United Kingdom.

I will be 65 years of age on 15 January 2022 although my birthdate in the passport is written as being on 8 August 1957 due to some mistake administratively when I was issued with an Indian Passport in 1972 to come to the United Kingdom. I obtained a United Kingdom passport in 1984 through the naturalisation process to develop my scientific career in the United Kingdom.

My curriculum Vitae/Biodata is attached: CurriculumVitaeFullDrSPanigrahi2021.pdf.

The reason for writing to you is that I would in my retirement I would like to have a Visiting Lectureship at any of the Universities of the Republic of India. There are currently no restrictions on me to travel abroad on a United Kingdom Passport but my 6 monthly Visa application to the High Commission of India London for 2022 is still being considered. If I could get a visiting lectureship, I could apply for a 2 year stay in India for such a posting.

We have property in Kolkata (Flat at A13/3 Kalindi Housing Estate, Kolkata 89, and have village properties in near Bhadrakh in Odisha State. My parents are deceased but I have two sisters who are settled in Bhubaneswar.

I have been referred to write to you by my acquaintance in India Mr ShitikanthSingh A on Face.book: see Correspondence on Facebook with Shitikanth Singh A 18 Nov2021 on India Visa Applicaiton.docx.

Thank you for your kind consideration.

Yours sincerely

Hey chootia-lok,

As you must by now know, VOPA has intervened with MEA.

Result? Both your VISA applications are refused.

Time of decision - 21 November 2021 10:55 am

You are confirmed on the terrorism watch list. e-VISA will not be able to process any further applications from you. Your fee is being refunded this week.

We are notifying your sisters and brother-in-law Nihar accordingly.

You thought you could FXXXUP the lives of thousands of your victims and escape the consequences? We don't rely on karma. We retaliate directly. Both your naturalisation applications are now under audit scrutiny, partly for the anomaly re dates which is a consequence only of your putting false data in the application.

Behenchod Shantanu, you are unwelcome in the United Kingdom. You are unwelcome in India and your stupid wife's deportation destination of France also.

We suggest you FXXXOFF to Pakistan. PHC has been kept apprised of your published statements about "moronic Muslims" so they have a hot reception for you.

And thank you for providing us with Rekha's passport number, National Insurance number, etc. Some VOPA members have been requesting these for more than one year.

Warmest possible gratings and from Sivaji with poker

Marty

TCLP-UK fully supports this legal challenge as a gross breach of human rights to education and discrimination against children going to private schools.

Hi Dr Shantanu,

Thanks for reaching out. We appreciate your continued support of Stripe as you are considering applying for our loan service. Allow me to share some directions to help.

For context, we determine offer eligibility using a combination of factors, including overall processing volume and history on Stripe. Eligible UK businesses with at least 6 months of processing history may receive an email and Dashboard notification if they have an offer available.

Accounts are automatically reviewed on a regular basis for eligibility, and we will reach out via your Stripe dashboard and email once your business is qualified for an offer. Interested borrowers do not need to contact us to request for their account to be reviewed for eligibility.

In the meantime, we may need to check account-specific information for accuracy and security. This means we may need validated access to the Stripe account that the loan is for. We want to help you find your Stripe account, and we would really appreciate if you send us the following information:

- Email address

- URL
- Business name
- Company representative's name

Sending this information will help us understand how you should be able to access your account. In case we need you to check specific details from your Stripe account, you may need to get back in touch using the correct account as we won't have access to any details.

I'm looking forward to hearing from you soon.

Kind regards,  
Lio

Dear Stripe,

1. From an overnight review I am interested in progressing forwards In the diverse interests contained within the portfolio of The Conservative Libertarian Publications Limited especially through the two Membership Accounts at JOIN IT and BRILLIANT DIRECTORIES, as follows, but do accept that this has had to progress through a slow and steady approach by the understanding of the unwritten Constitution of the United Kingdom and continued in an evolutionary manner to assuage the feelings of all the parties involved.

2. The four areas where progress should acquire prominence are:

(a) registering the TCLP-UK political Party with the Electoral Commission as soon as Mr Ayman Faizer (faizerr41@gmail.com) can reply to me on my communication of 16 June 2025 to confirm that he is willing to act as the Campaigns Official for the Party on the arrangements that I have specified to him (if you need to see the correspondence I am able to dig it out for you).

(b) The Conservative Libertarian Publications Limited is proceeding with an arrangement with Tik-Tok that invited the Company to link up my Book shop at <https://theallurementofrealityinreview.com/shop> to its Tik-Tok Shop: I have agreed to this scheme for it will get my books through to world-wide circulation. Having said that there would appear to be some teething problems this morning with this arrangement:

image.png

As you are aware from my previous publications, there is no money in truth, but an army marches on its stomach so I must try and make the most of publications from being able to sell my 423 eBooks worldwide from the Tik-Tok platform. The preliminary signs are not encouraging: see this notification

image.png

All the materials have been in the public domain for some considerable time ( <https://archive.org/details/@panigrahi491>) so Tik-Tok should make the Shop functional immediately

(c) At a philanthropic level, I wish to develop the concept of 'The Conservative Libertarian Society as a spiritual undertaking with uncompromising reverence to God through karma in sanatana dharma to unite all of humanity under a single umbrella: you will recall that I wrote that we need to break down existing barriers in different sectors of humanity not create new ones.

(d) I have always stated that humanity should evolve, and God willing, I wish to accede to the invitation from 'Incorporate Your Dubai Business with a Visa Free for Life Inbox

Amit Dhrona <amit@rfz.ae> Tue 17 Jun, 22:05 (9 hours ago), to open an office in Dubai to implement <https://www.theconservativelibertariansociety.com/post/movement-of-conservative-libertarians-mission-statement>; for which I would require a loan from Stripe Bank of £250,000 initially.

3. These are the considerations of the Company this morning, and I look forward to your assessment as to its viability in total or in part, and if so which part.

Yours sincerely

<https://www.thenewclimateformankind.com/group/religion-and-philosophy/discussion/355399b9-c231-477c-bd5e-d41ce04d65f4>

To experience God, one needs to delve into one's own psyche, that is the easiest way to determine and confirm one's faith.

I am 68 years of age and come to the end of my productive life. This morning I was invited by the great Wix.com to develop the groups by posting a first post. What better a topic could have come to my mind than what I wake up to each morning.

It has taken 27 years of studies to get to this final assessment. The details of how I pursued my studies are available on line.

From today, I would be amenable to answer individual questions.

Dear Sir/Madam

Before the day progresses, please consider the contents of the development of The Conservative Libertarian Publications Limited which as I have said evolves on the basis of the day to day revelations of the unwritten Constitution of the United Kingdom, so must be checked on a daily basis from the State authorities, and this would be Medway County Court in my Case: Dealing with Website Notifications for TCLP Limited.pdf.

I trust that the Court will find that I have on behalf of the Company as its Director acted lawfully at all times.

 Medway County Court

Dear Sir/Madam

Before the day progresses, please consider the contents of the development of The Conservative Libertarian Publications Limited which as I have said evolves on the basis of the day to day revelations of the unwritten Constitution of the United Kingdom, so must be checked on a daily basis from the State authorities, and this would be Medway County Court in my Case: Dealing with Website Notifications for TCLP Limited.pdf.

I trust that the Court will find that I have on behalf of the Company as its Director acted lawfully at all times

Yours sincerely
